

# INTERNATIONAL JOURNAL OF BIOLOGY RESEARCH

---

Volume 1(1):

Contents

June, 2013

---

Pages

**Muhammad Anis, M. Javed Zaki and Zeeshan Abbas** - Effects of gamma irradiation on germination, growth of sunflower and control of charcoal rot fungus *Macrophomina phaseolina* (Tassi) Goid.

**Hira Ejaz, Shahnaz Dawar, Marium Tariq and M. Javed Zaki** - Survey on seed borne fungi of *Punica granatum* L. (Pomegranate) seeds

**Aly Khan, Nasira Khatoon, S. Shahid Shaukat and A.R. Kazmi** - Nematodes associated with apple (*Malus pumila* (Mill.)

**Sumera Sohail, Zahir Hussain, Quratul-Ain and Syed Jibran Ashraf** - Blood cholesterol and leptin levels in smoking and non-smoking patients with diabetes mellitus

**Junaid Mahmood Alam, Ishrat Sultana, Muhammad Zzhar Imam and Maqsood Ali Ansari** - Assessment of thyroid hormones status in sub-clinical thyroid disease in selected adult patients

**Nasira Khatoon, A.G. Rizwana, F.M. Bilqees, Asmatullah-Kakar and A.K. Nazia** - Some cellular changes in the liver of *Pomadasys olivaceus* (Day) due to nematode larvae infection

**Imtiaz Ahmad, Tahir Anwar and Seema Tahir** - Pesticide residues in agricultural commodities in Pakistan's perspective: with reference to safe limits

**Rajput Muhammed Tariq** - Asexual reproduction in hermaphroditic animals and plants, Clicks the idea of new independent sex evolution: Proved practically in the field study

**Jameela Akhter, Nuzhat Ahmed, Uzma Badar, Maheen Waqar and Erum Shoeb** - Heavy metal and antimicrobial resistant bacteria isolated from Karachi coastal area as an indicator of pollution

**Uzma Badar, Nuzhat Ahmed and Erum Shoeb** - Bioaccumulation and biosorption of copper by *Pseudomonas* species

**Nuzhat Sultana Rafeeq Alam Khan and Iqbal Azhar** - Analgesic and anti-inflammatory activity by methanol extract of *Mucuna pruriens* (L.) DC

**Humaira Batool, Noureen Fatima, Hira, K., Viqar Sultana, Jehan Ara and Syed Ehteshamul-Haque** - Role of fluorescent *Pseudomonas* associated with root nodules of soybean in suppressing the root rotting fungi and root knot nematode of soybean in soil amended with seeds of *Vernonia antihelmenthica*

**Noreen Raza, Tasneem A. Saqib, Rajput Muhammad Tariq and Syed Naeemul Hassan Naqvi** - Study of bioaccumulation of metals in tissues of *Himantopus himantopus* (black winged stilt) from coastal areas of Karachi, Pakistan
